

First Congregational Church of Watertown, CT is looking to hire an Acting Director of Music Ministries, starting in the fall 2018. This person would need to be available for services at 10 am on Sundays, choir rehearsal at 9 AM Sunday, and Wednesday choir rehearsals 7:30-9:00 PM. Weddings and Funerals, also, as availability permits. He/she would work closely with our settled Senior pastor, and Associate Pastor, to determine hymn, anthem, and other worship music selections on a weekly basis. Would also oversee our Youth and Bell choir directors. We seek a director/musician who understands Congregational worship, and is classical in repertoire, however, willing to think out of the box and introduce different genres of worship music. Must be able to communicate effectively with Pastors/music committee via email, text or phone in a timely fashion. The Acting Director will be an important part of our worship music program during this transitional period, as we explore new ideas in our worship music, and contract would be renewable after the first year. Please contact us for full job description. Our sanctuary includes a Holtkamp Tracker organ and a Young Chang G185 Grand piano.

Pamela Sorensen

Music Committee Chairperson, First Church of Watertown CT
